About Delhi Chapter ISAR

The **Delhi Chapter of ISAR** (Indian Society for Atherosclerosis Research) was established with approval from the national ISAR body during the ISARCON conference on November 25, 2014. It holds the distinction of being the first state chapter in the Delhi-NCR region, created to support the national body's mission of promoting research in the field of atherosclerosis.

Objectives and Activities:

- **Knowledge Promotion:** The primary focus of the ISAR-Delhi chapter is to disseminate knowledge and advancements related to atherosclerosis; a disease characterized by the buildup of plaque in arteries.
- **Annual Events:** The chapter organizes annual meetings, symposia, and workshops to raise awareness about the latest developments in research and clinical practice concerning atherosclerosis and its related fields.
- The society brings together professionals from diverse fields, including **Biochemists, Molecular Biologists, Cardiologists, Cardiovascular Scientists, Epidemiologists, Pharmacologists, and Internists.**
- Membership is open to individuals involved in basic and clinical research on atherosclerosis, with the aim of fostering collaboration and innovation across disciplines.

By facilitating collaboration and promoting knowledge exchange, ISAR-Delhi contributes to the advancement of cardiovascular research in India

Welcome Message from Organizing Secretary

We are excited to announce the **Annual Conference of the Delhi Chapter of the Indian Society for Advanced Research (DC-ISAR)**, scheduled for **9th November 2024 at Hindu Rao Hospital & North DMC Medical College.**

Hindu Rao Hospital, one of Delhi's oldest and most respected healthcare institutions, holds the unique distinction of being among the few government hospitals converted into a medical college. It serves as a hub for healthcare education and innovation, hosting a range of academic and professional medical programs.

On behalf of my department and the organizing committee, we warmly invite seniors, colleagues, juniors, and students to join us for this prestigious event. Upholding our tradition of excellence in knowledge sharing, this year's conference promises an enriching experience, featuring **leading experts as faculty, engaging panel discussions**, and an invaluable **platform for young professionals to present their work.**

We are now accepting submissions for **Oral and Poster Presentations**, as well as **Research Articles**, to be featured in the **DC-ISAR Newsletter & Souvenir**. This is a fantastic opportunity for **students, research scientists, clinicians, and faculty members** to showcase their research. Your contributions will bring diverse perspectives and groundbreaking insights to the conference.

We encourage you to spread the word about the conference and this **call for submissions** among your peers, colleagues, and fellow researchers. Together, we can ensure a broad range of contributions that reflect the diverse expertise within our community.

We eagerly look forward to your participation and valuable submissions, and we warmly welcome you to **Hindu Rao Hospital!**

ABSTRACT SUBMISSION GUIDELINES

General Information:

- Submission of an abstract is mandatory for consideration for selection in Oral/Poster Presentation.
- Candidates can opt for any ONE type of presentation.
- The decision regarding selection of abstracts for oral/poster presentation by the Scientific Review Committee of ISAR-DC is final.
- Once selected, the participants will be intimated via email regarding the guidelines for oral and poster presentations.

Please note the following instructions for abstract submission:

1. All abstracts should be based on **original research or case studies**.
2. Systematic reviews and metaanalyses are acceptable if registered with Cochrane, Prospero or any other international Systematic Review database; no other reviews will be accepted.
3. They must begin with the Title of the presentation (up to 15 words) followed by the name and designation of authors, their institutional affiliations with address, and email ID of the presenting author.
4. The body of the abstract should be structured into four headings: **Introduction, Materials and methods, Results, and Conclusions**.
5. Word count must be limited to **250 words** (not counting title, name of authors, affiliations, abstract headings, and keywords).
6. Please provide 5 keywords, whenever possible from the **MeSH database**, available at: <http://www.nlm.nih.gov/mesh/meshhome.html>
7. Apply the following format options:
8. Dead line for abstract submission is **25th October 2024**

Font style: Times New Roman

Font Size: 12

Spacing: Double

Margins: 2.54 cm from all 4 sides.

EXAMPLE:

Title (15 words)

Name(*1), Name(2)

1. Designation, Department, Institute, City, State.

2. Designation, Department, Institute, City, State.

*Presenting Author: email ID.

Body of Abstract (250 words)
